

The Red House

NEWSLETTER

Volume 04 2026

By Mel Tonkins – Activity Co-Ordinator

Hello & Welcome To The Newsletter For April

The clocks have sprung forward; the evenings are lighter, so here's hoping we are in for a good spring/summer with lots of sunshine.

I am so surprised that we do not have one birthday this month, it's not very often that happens.

We have a busy month ahead so if you have any questions about any events we have on then please do not hesitate to ask.
